

**JOIN US IN CELEBRATING THE LIFE OF A VISIONARY AND LEGEND,
DR. MARTIN LUTHER KING JR. AT OUR 10TH ANNIVERSARY BREAKFAST CELEBRATION.**

I am writing you today to seek your support for our 10th Anniversary Dr. Martin Luther King Jr Breakfast on Saturday, January 18th, 2020 at Warehouse 23, Vancouver, WA. This year's event theme is "Bringing His Vision to Life". We have an impressive line-up of speakers and performers, including our Compass Award Recipient the esteemed Dr. Alisha Moreland-Capuia.

We're honored that the community has embraced the event, and how it has become one of the premier cultural events in Clark County. This event is only possible through generous and like-minded sponsors like you.

Why sponsor this event:

Sponsors gain community wide visibility for their company or organization, with a tiered level of benefits tied to sponsorship level (attached). Sponsorship distinguishes your company or organization by demonstrating social responsibility commitment to the local community, by supporting and promoting diversity and inclusion, and by your leadership in supporting youth. Sponsors take pride in knowing that proceeds from this event go to the [iUrban Teen](#) STEM+Arts Scholarship Program. Because of generous sponsors like you we were able to award five \$2,000 scholarships in the Spring of 2019 to iUrban Teen students to attend college. Let's aim for this again and more in 2020.
